ATR VERDICT: Sam Cavallaro returns once again in this contest as he attempts for his third success and warmed up for this by winning his latest outing in a point at Chaddesley Corbett. That said, he faces a tough task against rivals with loftier ratings and GUSTAVE MAHLER is taken to make a winning debut in this sphere. He kept decent company in novice chases throughout last summer and this represents an ideal place to get off the mark over fences. Saffron Wells was last seen under Rules when sent off favourite for a Pertemps Qualifier in December 2017 at Wincanton, and could serve it up to the selection having run well in several points over the past few months.

Top Tip: GUSTAVE MAHLER (1)

ATR VERDICT: POITIN is a five-time course winner, three of which came over this trip, and her narrow defeat over C&D last time out suggests that she can add to her fine record at this venue. Sharjah could prove to be the main threat to the selection following a series of good efforts in defeat, while Exclusive Waters and Royal Admiral are others to consider.

Top Tip: POITIN (1)
